TO WHOM IT MAY CONCERN

This is to certify that **M/S Associated Builders Corporation Ltd. (ABC Ltd)** of ABC house 8 Kemal Ataturk Avenue, Dhaka 1213 were awarded the contract for construction of 120 MW Barge Mounted Power Plant at Haripur, Narayanganj, Bangladesh on October 28, 1998

Final value of their contract was Tk. 102 Million. They were supplied materials like sheet piles, steel beams, steel pipes, cables etc. free of cost, the value of which was more than Tk. 80 million. Thus the total value of the work executed by them was more than **Tk. 182 million.**

They completed the entire work substantially **within 6 months** time which is highly commendable and they earned **bonus amounting to Tk. 8 617 042,29** for earlier completion.

We are happy to say that ABC Ltd. did not only complete the project ahead of schedule but they did it in true professional spirit by deploying sufficient number of their own heavy construction equipments like cranes, excavators, dump trucks, vibro hammer cum extractors, vibratory road rollers, diesel hammers, generators etc. to complete the work in time.

They are undoubtedly a professional group of people and we were truly impressed by their performance and the professionalism of their Engineers, Foremen, Supervisors and Workers. We feel confident to say that any work of any magnitude undertaken by them will be performed in true professional spirit and well within the scheduled time.

We wish them success in all their future projects.
