TO WHOM IT MAY CONCERN

This is to certify that M/s. Associated Builders Corporation Limited (ABC), ABC House (2nd floor), 8, Banani C/A, Kemal Ataturk Avenue, Dhaka-1213 was invited to carry out "Construction of PHP Float Glass Industries Ltd. at Barabkunda, Sitakunda, Chittagong". Cost of the total project is Tk. 50 crore (approximately).

This Factory Complex comprises of different types of High-rise and Multi-storied R.C.C. and Steel structures on bored piles (450 mm dia, 15-20 metre length, 2669 Nos.). Ground improvement (at a depth of -3.00 metre), Driving of Sheet piling (54 Rm in length and 8.00 metre in depth) were also carried out.

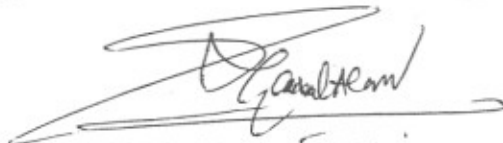

The project includes 30.5 metre high (equivalent to 10-storied high) R.C.C. Commercial Building (floor area 5,00 sqm), 5-storied R.C.C. Administrative Building (floor area 2,100 sqm), various multi-storied buildings (total floor area 26,500 sqm) and 2 level basement floors at 6.5 metre below ground level (total floor area 2,675 sqm) on R.C.C. pile foundations. Total floor area of various buildings and structures are 33,600 sqm. ABC mobilized their resources and started the work in October, 2003. They have completed the major civil construction work of the project by June-2005.

Earth work in excavation, Sand filling, Cement concreting, R.C.C. casting, Reinforcement work, Shuttering work, Metal Embedment, Brick work, Plastering work, Water proofing work etc. including sanitary, water supply, electrification works etc. were successfully executed. Cost of the building works is approximately Tk. 30.00 crore.

ABC deputed a competent work force at site. The company also used quality materials and all modern equipments such as Excavator, Dump Truck, Pay Loader, Mobile Crane, Vibro Compactor, Bull Dozer etc.

The performance of ABC, in respect of quality, time schedule and project management of the project is very commendable.

We wish them of continuous success.
